Consumer Survey Results

Toys/Rattles, Apparel, and Baby Bath Products are top three categories of products associated with name and logo combination.

Cool Brands partnered with one of the world's largest consumer research companies to develop and field a proprietary research study. This company's expertise in qualitative and quantitative solutions coupled with their knowledge in research, testing and consumer data points makes them best in class.

At Jiggles 'N Giggles, we're not just another children's brand; we're a movement dedicated to nurturing joy, security, and love for your little ones. Our products set the standard for comfort with imaginative designs and inventive features. From luxuriously soft, eco-friendly apparel to engaging, durable toys crafted with little hands in mind, each item embodies our commitment to pure affection and meticulous craftsmanship.

Jiggles 'N Giggles reflects the core values embraced by families juggling busy schedules worldwide. We understand the challenges of modern parenting - from hectic schedules to the pursuit of success - and our products are designed to support you every step of the way. With Jiggles 'N Giggles, you can trust that every item is crafted with love and care, providing you with peace of mind as you watch your little ones grow.

Where Joy Jiggles and Laughter Giggles

Jiggles 'N Giggles Pillars

Jiggles 'N Giggles strives to bring fun and laughter galore; a beacon of joy you want to share with the world. We strive to bring a sense of comfort, happiness, and a feeling of reassurance in all we do. Jiggles 'N Giggles instantly reaches into the heart of its customers and leaves them enchanted.

Our five points showcase how seriously we take our responsibility to establish meaningful connections and joy with our customers -

Safety

Our products are crafted with love and care, so you can rest assured your child is always safe and secure.

Value

Our products provide the perfect balance between technology and wallet-friendly affordability - stay ahead of trends without breaking your budget!

Comfort

Our eco-friendly designs are made with quality materials and soft fabrics, so that you and your little bundle of joy can feel cozy in the utmost comfort.

Fun

Our brand is dedicated to crafting innovative experiences that bring the whole family closer. We believe in having fun and learning through laughter and touch, making each moment a one-of-a-kind adventure!

Trust

At our core, we strive to be a beacon of integrity and reliability. We believe in providing products that improve the lives of those that use them while also making a positive contribution within our communities.

Solutions, Not Gimmicks™

At Jiggles 'N Giggles, we're dedicated to revolutionizing your family's journey with our innovative and baby-friendly products, all at a great price/value ratio. Our solutions are crafted with substance, drawing inspiration from various sources to support today's active families. No gimmicks, just practicality for life on the move!

Technologies

At Jiggles 'N Giggles, we prioritize the safety and comfort of your little ones above all else. That's why we're committed to crafting innovative products that address every parental concern. With our tailored solutions, enjoy peace of mind and maximize quality family moments with ease and joy.
